Early Years

Year 1&2

We learned about the days of the week and how to write their names correctly. We also played some games, read books and spent time outside with our friends.

Year 3&4

This week we learned about contractions. The shortened version of words that help with fluent speech and reading.

We also learned about primary colours and how to mix them to get other desired colours.

Shrove Tuesday (Pancake Day)

We would like to thank our Class Representatives for their effort on this day, especially Garrick Stewart, our own M@sterchef.

We also want to take this opportunity to thank our parents for all their contributions. We managed to raise enough funds for three "Friendship Benches" which will be placed in our beautiful gardens at school.

Stars of the Week

World Book Day 3 March

We celebrated World Book Day by asking the kiddos to dress up as their favourite book character. We also learned about the importance of reading and how this skill can enhance your learning experience.

Throwback Thursday

What a long way we have come!
Looking back fondly every week at
some of these pictures.

This is where we were:
June/July 2021.

Sport

We have been practicing cross-country daily and look forward to the ISAZ Inter-school Cross Country meeting on 19 March at Musikili.

Our students were fortunate enough to meet and watch golf legend Michael Campbell, a NZ professional golfer who is best known for having won the 2005 US Open. What a privilege. Thank you to Bonanza Golf Club and Heidi Babcock (our coach) for making this possible.
